Confirmation email by Monday 6th November 2017

This trip is for adults who require a Hill walking assessments, be they first time applicants or those needing to renew or upgrade their existing permit.

It is also open to any adult scout leader who aspires to gaining a Hill walking permit in the future and requires formal training, advice and log book experience.

If numbers allow, places will also be offered to anyone between the age of 16 and 18 who are thinking of gaining an authorisation. If you fall into this category, please don't apply but email the organiser who will let you know if there is space.

[Further information about the assessment process can be found on the website.](#)

Applicants for assessment **must** upload their walking log book with their application form so the assessors can review it before the trip.

Sorry, this is not an IMC 'Have a go' weekend open to novice Hillwalkers or people who just fancy a weekend in the hills.

Equipment list

It is assumed that since you have got to the stage of wanting to do an assessment then you should know what equipment you require for a weekend on the hill!

Candidates are expected to be able to provide suitable footwear, clothing and equipment although the IMC will provide group and technical equipment such as group shelters, ropes and helmets.

If necessary we can also provide some basic equipment if you require it and cannot borrow it from your group. Please contact the organiser.

You will also need a sleeping bag and pillow for use in the centre. Crockery and cutlery are provided.

It is essential for all the participants' safety that everyone has the correct items of personal equipment and clothing and behaves appropriately. The weekend may be wet, windy and cold. Your personal equipment will be checked before going on the hill and anyone without the correct equipment may be refused permission to go onto the hills.
